

G  
Oh Lord, reigning on high  
Em  
Dwelling in unapproachable light  
C D G  
Who can stand before your glory and your might  
C D G  
Oh Lord, you reign on high

C G D G  
And every time I think of who you are and all you've done  
C G D Em  
I'm captivated by the thought that you desire us  
C Em D G  
How can my heart keep from bursting at the truth of this  
C D G  
Emmanuel, our God wants to be with us

G  
Jesus, incarnate deity  
Em  
The spotless lamb robed in humility  
C D G  
He chose to die and with his blood to buy us peace  
C D G  
Jesus, it's my joy to call you King

(Repeat Chorus)

C D  
This mystery never stops confounding me  
C D Em  
My God wants perfect unity  
C D Em  
I'm undone - what beautiful insanity  
C D Em  
That my God is so in love with me  
C D Em  
My God abounds in love for me  
C D G  
What beautiful insanity

C G D G  
And every time I think of who you are and all you've done

C G D Em  
I'm captivated by the thought that you desire us

C Em D G  
How can my heart keep from bursting at the truth of this

C D Em  
Emmanuel, our God wants to be with us

C D G  
I stand in awe, that God you want to be with us
